The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. This approval is valid until the end of February 2014.

This approval is contingent upon compliance with the following stipulation(s):

- Installation of this product must include the optional anti-siphon pressure type vacuum breaker serving the bed pan washer. The anti-siphon pressure type vacuum breaker must be listed by a nationally recognized listing agency as conforming to ASSE Standard 1056. Specific plan approval from the department must be obtained for the installation of the anti-siphon pressure type vacuum breaker in health care and related facilities.

This approval supersedes the approval issued on February 7, 2003 under product file number 20030610.

This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20030610.

The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Jerry Thompson
